

**REMARKS**

Claims 52-67 are pending in this application. Each of these claims has been newly added. No new matter has been added.

This amendment is filed concurrently with an RCE. The previously pending claims were all rejected all over Mandelman (U.S. Patent No. 6,339,241) or Arnold (U.S. Patent Publication No. 2004/0238868) taken with Mandelman. The newly added claims are clearly distinguishable over these references.

Allowance of the pending claims is therefore respectfully requested.

Should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Ira S. Matsil, Applicant's attorney, at 972-732-1001 so that such issues may be resolved as expeditiously as possible. In the event that the enclosed fees are insufficient, please charge any additional fees required to keep this application pending, or credit any overpayment, to Deposit Account No. 50-1065.

Respectfully submitted,

September 20, 2006
